What Stakeholders Provided Input

- Metrics and Scoring Committee
- CCO Metrics Technical Advisory Group
- Health Plan Quality Metrics Committee
- Early Learning Hubs
- Primary Care Providers
- Families
- Others
- All public comment and results of a parent survey can be found on the HAKR Technical Workgroup webpage:
 - https://www.oregon.gov/oha/HPA/ANALYTICS/Pages/KR-Health.aspx

Appendix J

Themes from Stakeholder Input

Caution against bundled metrics with many metric components

Connect recommendations to aligned work underway (e.g. CCO 2.0 priorities)

Excitement about metrics on dental services, mental health, and developmental screening follow-up

Include at least one metric in recommendations that can be implemented in 2020

Summarize evidence
of how
recommendations
will impact
kindergarten
readiness

Focus on the children who face disparities

Caution against screening metrics, given challenges with capacity and access to services
